Course outline

- You will gain applicable German language skills which help you to successfully master everyday life situations, like shopping, going out, discovering art or dealing with public authorities and the health care system.
- The training is designed to strengthen your abilities in reading, writing, speaking and listening. Moreover the content of your training can be adjusted according to your specific professional requirements. The aim is to empower you to communicate fluently with coworkers, fellow students, business partners and customers.
- The training additionally equips you with valuable insides into the German culture, customs and traditions.
- We also support you to prepare for an official language examination such as "TestDaF", "telc", "DSH" or "Zertifikat Deutsch".

Our professional "German as a foreign language" trainers are looking forward to supporting you to pursue your individual goals.
